Re: Assignment and Extension of Water Right No. S2-29466

Dear Ms. Bowen and Ms. Kinnaman:

We have processed your request for assignment. Our records have been changed to reflect the assignment of Water Right S2-29466 and we will send all future correspondence to you. A copy of Amended Permit No. S2-29466 is enclosed for your information and records.

Also, in response to your request, you are hereby granted an extension to complete construction for the reasons below:

- Due diligence is shown in development. The project site has been prepared for construction, a pump house was constructed, and water lines have been installed.
- Construction has been delayed due to recent acquisition of the property and current economic conditions.

The new deadline to complete construction of your water system and submit a *Construction Notice* is **August 1, 2015**. Please note that a meter must also be installed on your diversion by this date.
